### Understanding Your Business

Slater & Gordon seek to understand your business and industry. Our success and growth has been built on lasting relationships with clients. We are a firm for the long run.

We are commercially minded. Our assistance is tailored to resolving issues. We aim to minimise disruption to your operations and protect your interests. We are focused on delivering solutions on time and on budget.

### Value

We offer specialised, high quality advisory and dispute resolution services to SME's, at very competitive rates. We appreciate that for an SME, the cost of legal services is critically important.

## Why choose Slater & Gordon?

We apply the right mix of staff at appropriate levels. We never cut corners but at the same time we don't over-service. We will communicate with you whatever frequency and however you prefer.

### Quality People

We invest in quality people. Our senior lawyers are industry leaders. The number and quality of our staff and our investment in training them enables us to deliver quality services, however unusual or complex.

### Reputation

Slater & Gordon has a reputation built over 75 years for finding solutions to challenging legal problems in our clients' interests. That is why we are Australia's best known law firm.

## Slater & Gordon - tailored legal solutions for SME's

### Advice

Slater & Gordon can provide expert advice on a range of matters likely to affect your business, including: how to protect intellectual property through copyright, patents and trademarks; advice on contracts; regulation & licenses; corporate insolvency and bankruptcy; corporate governance; and trade practices and competition.

### Business Structuring & Succession

Our team understands how to protect the investment you have made in your business, right from its creation. Our team can assist throughout your business' lifecycle, including: purchase and sale agreements; asset management and protection; and business succession planning and execution. We work closely with your financial advisor to achieve integrated outcomes.

### Dispute Resolution

We are acknowledged leaders in dispute resolution. We are committed to providing thorough, realistic assessments and cost effective, timely outcomes. If you decide to fight, you'll have the experience, expertise and resources of a national firm on your side as well as our reputation as fearless litigators. Our focus is always on delivering the best available commercial outcome in your interest. No litigation is too large or complex for us.

### Property Transactions

Our team has extensive experience working with property developers and managers. We offer the full range of property transactions, including: property purchase and sale, property development, licensing agreements, conveyancing and leasing.
